of Washington

QLaw Mentorship Program – Mentor Participation form

If you're willing to be a mentor this year, please email Josh Treybig at treybig@gmail.com and answer the following questions so we can find you a good mentee match:

- 1) What is your area of practice?
- 2) Which of these best applies to you?
 - a) I LOVE social events and would be delighted to introduce my mentee to friends and colleagues.
 - b) I'm not really into social networking – I am interested in serving as an attorney mentor only.
- 3) Which of these best applies to you?
 - a) My mentee should expect to pester me if I don't respond to their emails right away - I won't be offended.
 - b) I am quick to respond to emails, and will initiate contact occasionally - my mentee won't need to send multiple follow ups.

Matching mentors and mentees will occur in early-November, so **please send your email response by Friday, October 27, 2017.**
